Heavy Traffic-Coir Outdoor Logomat 15mm

Traditional, Natural and Functional

Coir is designed as a dirt and dust collector, suitable for most entrances including shops and public buildings which are subject to heavy foot traffic. An excellent brushing action helps protect existing carpets and flooring in an economical and practical way. Traditionally used in busy entrance areas, often fitted into mat-wells or a floor-recess but equally useful as a loose-lay mat.

Coir Logo Mats can be supplied in single colours or as a custom designed and logo mat. Our design centre will rework your logo/design to match our manufacturing tolerances and colour palette. You will then receive a visual proof prior to ordering.

Features

- 100% Natural Coir brush
- 100% Hard wearing PVC backing
- Cut and inlaid design (will last the lifetime of the product)

Sizes

Any custom size available. For well or recess fitting we advise you add an extra 5cm to length and width for accurate trimming on site.

Improved Productivity

PlushMat anti-fatigue mats provide a new level of comfort that is unrivaled in the market today. Drastically reduce lost time from foot, leg and back problems resulting from standing on hard and/or cold surfaces. PlushMats have tapered edges which help prevent tripping. This feature also accommodates movement of wheeled carts and chairs. PlushMat anti-fatigue mats are made of cast polyurethane foam which provides soft, cushioned surface and ergonomic support for feet, legs and back. This material insulates the user from cold hard concrete flooring. This product is anti-skid, anti-slip, highly durable and easily cleaned.

The Plush Mat is one of our best selling door mats. As its name suggests this doormat offers a high density plush carpet pile and is hard wearing for internal use. The Plush Mat is an easy to care for door mat and can be vacuumed, extraction cleaned or simply hose off. The plush carpet pile on this doormat effectively removes dirt and moisture from foot traffic. A quality doormat, made in Lebanon.

Coasters

A coaster, drink coaster, beverage coaster, or beer-mat, is an article used to rest beverages upon. The main purpose is to protect the surface of a table or any other surface where the user might place their beverage.

Public houses usually will have beer mats spread out across the tables. They are used not just to protect the surface of the table, but, as they are usually made of paper, they can also be used to absorb condensation dripping along the glass or serve as an ad-hoc notepad.

Beer mats are often branded with trademarks or alcohol advertising.

Beer mats are not to be confused with bar mats, rectangular pieces of rubber or absorbent material used to protect the counter top and soak up spilled drinks in a bar or pub.
